Letter No III / Pen. dated 2-7-41

Solicits order regarding the treatment of "Special Leave", for purposes of pension.

(1) The "Special leave" is in the nature of Compulsory leave granted to the members of the medical department in the interest of the individual working with radium.

2) Article 196 A, states that ^{the} leave allowances payable during special leave are those admissible during Privilege ^{leave} & the period spent on special leave counts for service but not for privilege leave.

As per Articles 259 & 260, the time spent on Special leave does not count for as qualifying service for purposes of pension.

3) Since it is in the nature of a compulsory leave given to certain individuals of the Medical Dept. both in the interest of the Dept and the individuals concerned, it is for orders whether the Special leave may not be treated as service.

qualifying for pension. If the proposal is acceptable, a limit (as in the case of maternity leave) up to which such Special leave could be counted as service may be prescribed.

This is not necessary as the ~~comp~~ leave is given compulsory at stated intervals
 QSR

4) It may be included in the ~~rule~~ as an exception to Art 260. The result would be, Privilege leave + Maternity leave or Special leave should not exceed what would have been admissible had the ^{employee} availed himself of himself of the whole of the Privilege leave to which he was entitled under the rules.

5) Subst for orders

6) This leave also will have to be treated as on a par with privilege leave and it need not in any way affect the extent of ~~control~~ other kinds of leave ~~at~~ earned by the officer.
